Award winning sculpture & WORLD-CLASS CULTURE

Switch on to Southport’s cultural side and delve into art that’s both contemporary and historic.

We know we’re famous for our Pier, but Southport has a lot more unique things for you to enjoy, we have our internationally known Lawnmower Museum, which marks the culmination of a dream by Ex-racing champion Brian Radam.

The Atkinson
Centrally located is The Atkinson, a cultural ‘pick n mix’ of exhibits and displays based in a 19th Century and multi art form venue, step inside and be transported back in time with the current Ancient Egypt exhibition.

Pier & Penny Arcade
Not only does Southport have 22 miles of coast but it also boasts the Grade II listed Southport Pier, the oldest iron pier in the country, standing for over 150 years. A walk to the end of Southport Pier will give you views across the North West and on a clear day you can see neighbouring Blackpool and even the North Wales coast. The Pier Pavilion houses a cafeteria and traditional ‘penny arcade’, where you can test your skills on over 100 slot machines which all use vintage old pennys; what better way to evoke those seaside memories.

Lawnmower Museum
Enter the world’s only Lawnmower Museum and you’ll discover a glowing tribute to the garden machine industry, with a collection of over 200 lawnmowers, some even dating back to the 18th Century.

See lawnmowers of the rich & famous from Prince Charles and Princess Diana’s to Brian May’s, Paul O’Grady’s plus many more. The exhibits include the most expensive, the fastest, the first ever electric mower and the first robot mower, all housed together in this unique museum.

London Square & War Memorial
Stand in awe of the magnificent square at the centre of Lord Street, which features Southport’s imposing and beautiful War Memorial. Built in 1923 and designed by George Herbert Tyson Smith, it’s a fitting tribute to those who gave their lives in the First World War. From day to night the memorial forms a highly striking and powerful landmark, where you can relax and remember fallen heroes from years gone by.
Southport is renowned for the quality of its links golf courses, including Royal Birkdale, host of The Open ten times.

You can chip your way along our world-class golf coast with no less than six championship courses.

Make a splash and enjoy all the best water sports – paddleboard, sail or kite surf on the surrounding shores and adventure lakes, or take a leisurely horse-ride along the beach. If clocking up the kilometres is your thing, why not try one of Southport’s sporting events, like the Triathlon, Half Marathon or one of several 10k’s. THE FLOWER SHOW THAT CONTINUES TO BLOOM...

The first Southport Flower Show was held in Victoria Park in 1924. It was organised and funded by the local Council and, with the exception of five years during World War 2, was held annually until 1986.

After the 1986 show, Sefton Council made the decision to withdraw funding and threw the future of the event into doubt. But Southport people have always shown an extraordinary passion for and love of gardens and horticulture and were not prepared to lose their famous show. In true British spirit, a committee of local horticulturalists and business men was formed and together they secured the future of the much loved Southport Flower Show.

Over the years, the show has changed and developed but many of the features which made it so popular from the beginning have remained the same. The profile of the show has grown with celebrity guests, the introduction of a food and drink festival, entertainment, ladies day, school garden design and photography competitions and much more.

Thirty years on, the Southport Flower Show is the UK’s largest independent flower show and the future is looking bright.

CELEBRATING 90 YEARS OF SOUTHPORT FLOWER SHOW,
